

IMC Club: Mastering the Art of Instrument Navigation

IMC Club, through its nationwide chapters, provides organized “hangar flying” focused on building proficiency in instrument flying. Believing that safety and proficiency are developed through education and experience, we hold monthly meetings and use real world scenarios to engage our members and allow them to share and build their experience. You do not have to be instrument rated to attend. Click on the link below and register TODAY!

Directions: AOPA Aviation Community Center is located on the south end of Frederick Municipal Airport. From Hughes Ford Road, turn right on Bailes Lane which turns into Bucheimer Road. The AOPA Aviation Community Center is on the left.

In case of inclement weather, the event will be canceled if Frederick County Public School (FCPS) close schools due to weather.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
